HELPING BUSINESSES GO GREEN & ACHIEVE NET ZERO

JOIN THE CHAMBER GREEN ROSE PROGRAMME

WHAT IS CHAMBER GREEN ROSE?

East Lancashire Chamber's Sustainability Team can help guide your business to implement a recognised environmental management system, meeting the requirements of ISO 14001 or ISO 14005 with our Green Rose Programme.

This six-month collaborative learning programme, delivered by the Chamber's Sustainability Team will provide support and guidance in the development and implementation of each organisation's Environmental Management System.

WHY JOIN CHAMBER GREEN ROSE?

- ✓ Reduce costs on consultancy fees.
- ✓ Help with supply chain pressure.
- ✓ Access new customers requiring environmental credentials.
- ✓ Prepare your business for certification to ISO 14001 or ISO 14005.
- ✓ Peer to peer learning and support network.
- ✓ Even if you are not going for ISO 14001 at this stage completion of the course and implementation of the guidance and advice will earn your business a Green Rose Certificate of Participation as a training record.
- ✓ Demonstrate your commitment to achieving Net Zero and improve your sustainability credentials.

HOW IT WORKS
